

Bondo ATTENTION TO DETAIL

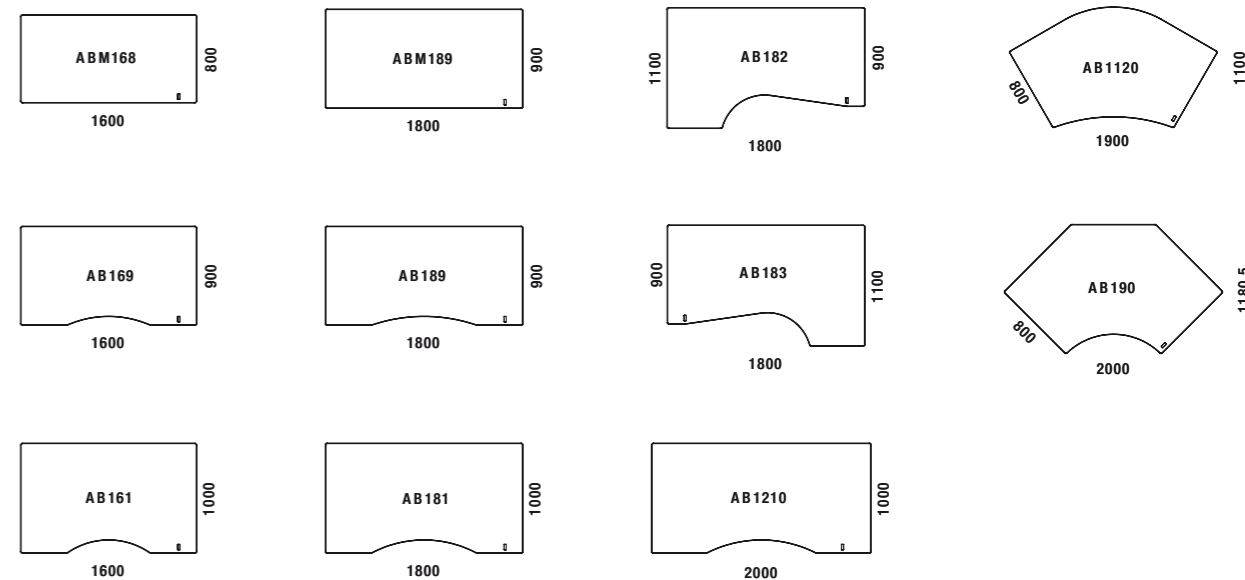

Height adjustment controls are inset in the table top – just one example of Bondo's product philosophy.

Bondo is a Danish brand that's making its debut on the international market. And everything that is typical for Danish design is typically Bondo.

In its design idiom, Bondo reflects sophistication in simplicity. Its product development optimises, rather than adding, without forsaking functionality – or finish. On the contrary, the finish will remind you of craftsmanship rather than mass production.

Aura 1000 series sit/stand desk Design Ole Puch

The Aura 1000 series is a range of stand up/sit down desks with 620–1270 mm height adjustment and height controls integrated in the table top. The light grey metal frame features a concealed, central beam that gives stability and provides plenty of legroom. Naturally, there is a full range of cable management solutions available for the desks.

The Aura 1000 series offers a wide selection of MDF table tops with beveled edges. Table tops are available in natural beech, maplewood and walnut. Surfaces are also available in white and grey MFC or in black linoleum.

Side storage unit with castors, height 1.5 x A4, width 570 mm.

Side storage unit with leg frame, height 1.5 x A4, width 1120 mm.

Cabinet with leg frame, height 2 x A4, width 1120 mm.

Cabinet with plinth, height 2 x A4, width 570 mm.

Storage unit with plinth, height 2 x A4, width 1670 mm.

Storage unit with castors, height 2 x A4, width 1670 mm.

Storage unit with plinth, height 3 x A4, width 1670 mm.

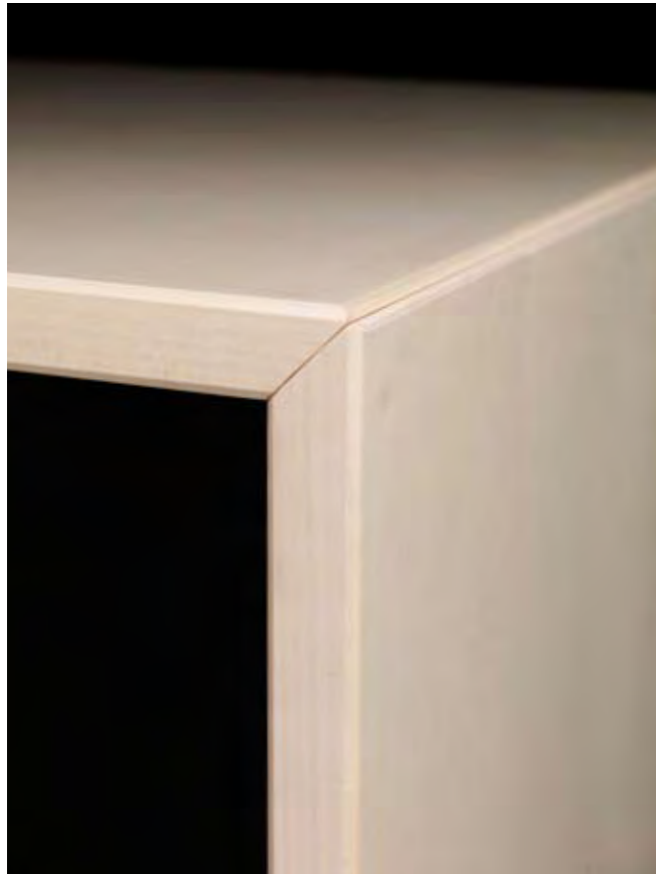

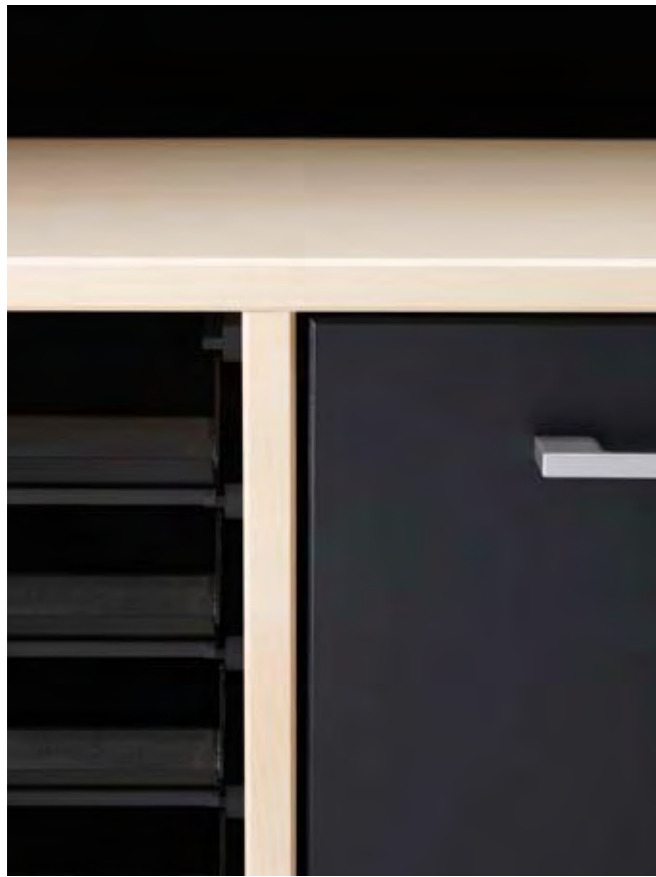

Storage unit with leg frame, height 3 x A4, width 1670 mm.

Aura Storage Design Ole Puch

Besides stand up/sit down desks, the Aura series also includes a complete range of storage solutions – cabinets, shelves, pedestals, mobile units... All with the same design idiom, with the same craftsmanlike quality as the desks, and in the same materials and colours, too.

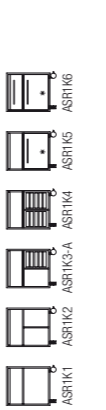

Top and side panels are joined with high precision. Attention to detail.

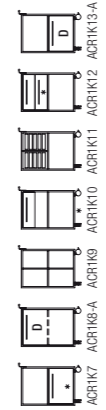

Side storage unit, 1.5 x A4, width 570 mm

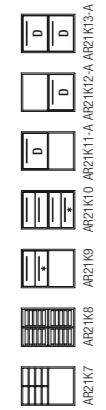

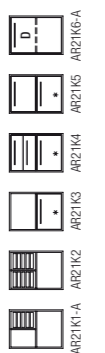

Side storage unit with roll-front, 1.5 x A4, width 570 mm

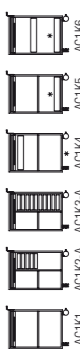

Mobile storage unit, 2 x A4, width 570 mm

Storage unit, 2 x A4, width 570 mm

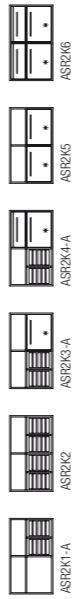

Mobile storage unit with roll-front, 2 x A4, width 570 mm

Roll-front cabinet, 2 x A4, width 570 mm

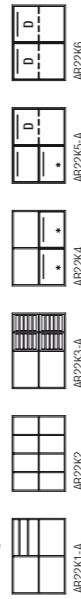

Side storage unit, 1.5 x A4, width 1120 mm

Roll-front cabinet, 2 x A4, width 1120 mm

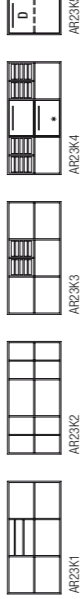

Storage unit, 2 x A4, width 1120 mm

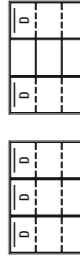

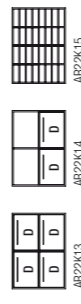

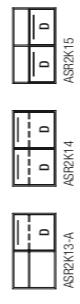

Storage unit, 3 x A4, width 1120 mm

Storage unit, 2 x A4, width 1670 mm

Storage unit, 3 x A4, width 1670 mm

Aura Storage is available in numerous finishes and sizes. Frames and roll-fronts in natural beech, maple-wood or walnut. Dark grey or white backs. Doors and drawer fronts in white, light grey or dark grey. Light grey plinth, leg frame or castors, all 90 mm in height. You'll find more detailed information on our website.

Dialog chair with or without armrests Design Hans Sandgren Jakobsen

Dialog. A compact and comfortable chair for meetings, visits and breaks. The chair is available in two versions and with its bow-shaped back, it's relaxing to sit in, also without armrests. The chair back is available in natural beech, beech bleached (to match maple) or black soft lacquer. Frame in chrome or lacquered in aluminium colour.
